## TOUCHING TRIBUTE TO SALVATION ARMY

Kentucky Marine, Now Sleeping at Chateau Thierry, Sent Beautiful Message Home to Loved Friend.

One dark night, shortly after the American marines had received their first baptism of blood at Chateau Thierry, a Kentucky boy, Gilbert Young, of Springfield, sat crouched in a dug-out writing a letter home. In it he described to one of his dearest friends and former teachers, Prof. George Colvin, now State Superintendent of Public Instruction of Kentucky, the terrible ordeal through which he had passed unscathed.

In one paragraph of that letter, now a precious and treasured memorial, the young Kentucky marine told of the great work that had been done during those trying hours by the various welfare agencies. "But greatest of them all," he wrote, "the greatest and best of them all, God bless them forever, is the Salvation Army."

The body of Gilbert Young, the brave Kentucky boy, lies today at Chateau Thierry beneath the hills of France, but his soul, poured out to his friend, goes marching on in tune with the great work the Salvation Army is seeking to accomplish now that swords have been turned into plowshares and spears into pruning hooks.

The sacrifice of Gilbert Young and the hundreds of other young Kentuckians who gave their lives for liberty during the world struggle will cause many a heart in the great Blue Grass state to pour out its benediction upon the Salvation Army when money is so needed in the Second Home Service Appeal campaign May 10 to 20. The Salvation Army today as always stands ready to help wherever there is a need.

## URGE KENTUCKIANS ON IN BIG DRIVE

State Conference Held to Arouse Interest in Salvation Army Home Service Appeal, May 10 to 20.

In preparation for the final drive in the Salvation Army's Second Home Service Appeal, May 10 to 20, in Kentucky and other states east of the Mississippi river, a state conference of workers was held in Louisville on Wednesday.

Judge Henry S. Barker, of Louisville, the state chairman, presided and the toastmaster was Ben S. Washer, of Louisville, vice chairman and former national president of the Young Men's Hebrew Association. Governor Edwin P. Morrow, honorary state chairman, could not be present but sent a telegram giving his hearty endorsement and urging Kentuckians to leave no stone unturned to put Kentucky in the forefront of states in contributions. Governor James S. Cox of Ohio was also prevented from attending and sent a telegram of endorsement.

Prominent workers from all parts of the state pledged themselves to do their best. Prof. George Colvin, State Superintendent of Public Instruction, delivered a splendid address in which he called upon all for renewed efforts in the big drive. Leading officers of the Salvation Army from this section told of their experiences in the actual work of the Army, most of them having served from 20 to 35 years in the ranks of this great organization.

Among other prominent workers in the Home Service Appeal are: Ben L. Bruner, secretary of the state executive committee; John R. Downing, treasurer; Dr. W. S. Lockhart, chairman of the speakers' bureau; Judge Walter V. Gregory, chairman of the publicity committee; Mrs. C. Malcolm Bullitt, Mayor George Weissinger Smith of Louisville, Hon. W. P. Lincoln, Marvin H. Lewis, Alvin T. Hart, Dr. E. L. Powell, Dr. E. Y. Mullins and Dr. Charles W. Welch.

## FRIENDLY HOME FOR WOMEN IS HELPED

Salvation Army Does Fine Work in Louisville Institution For Women and Girls.

The Susan Speed Davis Friendly Home for Women in Louisville is controlled and operated by the Salvation Army and is one of the institutions to be helped by the money raised in the Home Service Appeal to be made by the Salvation Army, May 10 to 20.

Four times as many cases were cared for in this Home during the past year and during the year before. This work has been carried on in the face of trying difficulties. It has been necessary to remodel and refurnish the Home, and in spite of this many have been cared for. Forty-three girls and young women were cared for there during the past month. Only six per cent of those cared for are over 18 years of age and many are under 14.

The Susan Speed Davis Home gives a welcome to all unfortunate girls and women, no matter from what part of Kentucky they come.

## How About Your Catarrh? Do You Want Real Relief?

Then Throw Away Your Sprays and Other Makeshift Treatment.

Why? Simply because you have overlooked the cause of catarrh, and all of your treatment has been misdirected. Remove the cause of the clogged-up accumulations that choke up your air passages, and they will naturally disappear for good. But no matter how many local applications you use to temporarily clear them away, they will promptly re-appear until their cause is removed.

S. S. S. is an antidote to the millions of tiny Catarrh germs with which your blood is infested. A thorough course of this remedy will cleanse and purify your blood, and remove the disease germs which cause Catarrh.

### Lead and Steel

Lead is said to act like steel at ordinary temperatures in liquid air. It will serve as a helical spring, for example. This behavior of soft non-elastic metals is interesting. It shows how very important temperature is. Just as iron is soft and malleable at a high red color, so lead is dull and soft at ordinary temperatures, for it is well on its way to be melted.

### Wedding Superstitions.

The popularity of June for weddings is due to two pretty women that June takes an especial interest in marriage and the prospects and blesses all who are wedded in June. The girl who becomes a bride on Christmas day has nothing to fear. If a widow marries a second time in the same month in which she was married before, she will be a widow twice.

**Wonderful Natural Spectacle.**  
The Garden of the Gods is a tract of land about 500 acres in extent, near Colorado Springs, Colo. It abounds in weird and fantastic pinnacles of red and white sandstone, some of them more than 300 feet high. Among the chief features are the Cathedral Spires, the Balanced Rock, etc. The gateway of the garden consists of two enormous masses of red sandstone, 200 feet high, sufficiently far apart for the roadway to pass between them.

**To Open New Books.**  
Teach the children early how to turn up the hinges of their new books. Don't let them crack the binding open to the edge of the back. Turn the book back down on a table and holding the body of the leaves firm, open first a page or two at the front, then a few at the back and so on till the volume lies easily open to the center. A book put into commission in this scientific fashion has a fair chance of long life.

**Precious Wood Carefully Preserved.**  
The rarest of all precious woods is said to be the calamus, a tree which grows in Ceylon, where it is held in veneration. The wood is beautifully marked in veining when polished, but its almost priceless value is due a good deal to its rarity. At one time the trees were quite plentiful in Ceylon, but only a comparatively few specimens remain, and all these are numbered and jealously guarded by the government.

### The Zig-Zag Tread

Mechanically and scientifically correct for perfect action under all road conditions. The zig-zag tread alternates on both sides of the extra wide, heavy tread, insuring a balanced, powerful grip. The "Zig-Zag" tread is the "Plus Tread" and straight center line of tread are thick rubber strips that assist in keeping the wheels "broad."
